Parlanti Semi-Custom Boots

Parlanti Semi-Custom Boots
#380786
Made in Italy. Designed for an elegant, profiled fit for ladies and men. Due to the soft leather, these boots are best suited for the show ring, not for everyday use. The semi-custom boot option lets you add or subtract up to an inch from the height and/or calf width on any stock Parlanti boot to achieve your perfect fit.

See pages 12-13 for measuring instructions

NOTE: Orders placed at a Dover store will be shipped to that store.

MEASURING INSTRUCTIONS:
Always measure over clothing to be worn in the footwear. All measurements are to be taken while seated, by someone other than yourself. Have your leg crossed over your other knee for circumference measurements 1 through 4. For measurements 5, 6 and 7 place feet flat on the floor. Calf circumference is measured around the largest part of the leg and around the top as illustrated.

*For height on riding boots, take measure #7 on the inside of the leg and add 1⅛” for wrinkling at ankles. Drop may vary depending on lining. On Patrol Boots add ¾”. Foot tracings are to be taken standing with equal weight on both feet. Draw outlines holding the pencil perpendicular.

NOTE: Orders placed at a Dover store will be shipped to that store.

FITTING INSTRUCTIONS

This vest requires measurements of the chest, waist and spine. Remember, the vest is designed to fit snugly. Reference the size chart to select the most appropriate size for your measurements. If your measurements fall between sizes, the best fit is usually the smaller size.

Chest - Measure at the widest point, to a snug fit. See diagram A.

Waist - Measure at the natural waist. See diagram A.

Spine - Measure from the small bump at the back of the neck down to the tailbone, following the contours of the spine. There should be about 1½-2” clearance from the saddle or chair to avoid interference with the saddle while riding. See diagrams B and C.

Approximately 1½" to 2"

Waist measurement_______________________

Spine measurement_______________________

IMPORTANT: Due to the snug fit of this vest it is recommended that the side laces be loosened before pulling up the zipper. Doing this ensures the zipper is inserted correctly and prolongs its life. Follow this procedure every time you wear your vest.

Allow 8-10 weeks for delivery.

NOTE: Orders placed at a Dover store will be shipped to that store.

MANUFACTURER RESTRICTED PRICE

For years you’ve counted on Dover Saddlery for the best value. We’d love to do even more, but unfortunately, some of our manufacturers restrict the selling price and prevent us from discounting any Manufacturer Restricted Price (MAP) items (previously identified as Premier) in our promotions. MAP items are the result of a manufacturer’s MAP policy, which means that this is the lowest price at which a retailer can advertise the product for sale. United States antitrust statutes permit manufacturers to provide retailers, such as Dover Saddlery, with these pricing restrictions.

CUSTOM ORDERS

We require full payment prior to processing custom orders. Visit DoverSaddlery.com/Custom.
