Show Ring Perfection

Made in Italy. Designed for an elegant, profiled fit for ladies and men. Due to the soft leather, these boots are best suited for the show ring, not for everyday use. The semi-custom boot option lets you add or subtract up to an inch from the height and/or calf width on any stock Parlanti boot to achieve your perfect fit.

### HOW TO ORDER PARLANTI BOOTS

Use the size chart below to find the closest size available. You can add or subtract 2 cm adjustment to height and/or calf.

Produced by DeNiro in Southern Italy, these exquisite custom boots are handcrafted in Italian grain calfskin leather. With an elegant, classic shape and a Spanish-cut design, the boot is designed using an innovative technology using hydrophobic materials that are bonded to the leather during tanning to form a protective barrier. The boot is water-resistant, wind-resistant, breathable and crack-resistant, allowing the leather to maintain its softness and color, ensuring longevity.

Incredible fit & fantastic look

From a little town in Kansas and appreciated worldwide, The Dehner Company, Inc. enjoys a long history of exceptional shoe and bootmaking dating back to 1875. Their tireless effort has allowed the brand to create a global following—every boot and shoe is still crafted by hand as was done over a century ago. USA.

MEASURING INSTRUCTIONS
Always measure over clothing to be worn in the footwear. All measurements are to be taken while seated, by someone else. Have your leg crossed over your other knee for circumference measurements 1 through 4. For measurements 5, 6, and 7, place feet flat on the floor. Calf circumference is measured around the largest part of the leg and around the top as illustrated, left.

*For height on riding boots, take measure #7 on the inside of the leg and add 1 1/4" for wrinkling at ankles. Drop may vary depending on lining. On Patrol Boots add 3/4". Foot tracings are to be taken standing with equal weight on both feet. Draw foot outlines holding the pencil perpendicular to the floor.

FITTING INSTRUCTIONS

This vest requires measurements of the chest, waist and spine. Remember, the vest is designed to fit snugly. Reference the size chart, below, to select the most appropriate size for your measurements. If your measurements fall between sizes, the best fit is usually the smaller size.

A CHEST  Measure at the widest point to a snug fit.
B WAIST  Measure at the natural waist.
C SPINE  Measure from the small bump at the back of the neck down to the tailbone, following the contours of the spine. Subtract 2" from the saddle or chair to avoid interference with the saddle while riding.

Mattes—custom elegance

Unsurpassed quality, design, function, materials, durability and appearance combine to make E.A. Mattes the world's leading equestrian brand in sheepskin and related wool products. Design your own Mattes saddle pad and ear bonnet using their wide selection of colors for sheepskin, binding and piping. Produced in Europe from the highest quality EQH Fleece and high-tech features.

**QUILT SADDLE PADS**
Mattes pads feature extremely dense Suffolk/merino genuine sheepskin that will mold perfectly to your horse's back. The upright position of the fibers eliminates friction and provides air circulation. Pads are 100% natural, with no chemical treatment, and the heavy quilted tops are made to last. Seamless Spine Free® sheepskin panel eliminates pressure points and pinching. The pommel features extra padding and the inner core is no-bounce Poly-Flex. Machine wash. Imported.

**COUTURE EAR BONNET**
Mattes Stock Couture Ear Bonnets are hand crocheted in fine Egyptian cotton. These high quality ear bonnets will keep flies out of your horse's sensitive ears so they can focus on performing their best. Available in many colors! Binding and piping can also be added for a truly custom look.

**MANUFACTURER RESTRICTED PRICE (MAP)**

For years you’ve counted on Dover Saddlery for the best value. We’d love to do even more, but unfortunately, some of our manufacturers restrict the selling price and prevent us from discounting any Manufacturer Restricted Price (MAP) items (previously identified as Premier) in our promotions. MAP items are the result of a manufacturer’s MAP policy, which means that this is the lowest price at which a retailer can advertise the product for sale. United States antitrust statutes permit manufacturers to provide retailers, such as Dover Saddlery, with these pricing restrictions.

**MAIL PREFERENCES**

We occasionally make our customer list available to carefully selected companies whose products or services may be of interest.
